

09/11/01 Forever change the lives of Americans

The San Diego Police Historical Association is pleased to announce the availability of 9-11 commemorative badges.

It is with great pride and dedication that we honor our fallen heroes of 911. To commemorate the lives and loyalty of those lost, the Entenmann-Rovin Company has designed these very special badges.

Each badge is approximately 3 7/16" x 2 7/16" in size and manufactured with 100% silver and gold alloy materials. Each badge is highly polished and sealed in hard baked clear lacquer to ensure a long lasting shine. Every shield is made in the USA by Entenmann-Rovin Company, which has proudly served the US military and law enforcement agencies since 1888.

Like all of our commemorative badges, these collectables are priced at \$80.00 each and payroll deduction is available for POA members.
